**2010
ADULT
CONFERENCE**

June 14-18, 2010

**Northwest
Christian Church
1340 Fishinger Rd
Columbus, 43221**

**2010 Theme:
“Deep and Wide:
Living Out the
Spiritual
Journey”**

Adult Conference is planned, organized and run by the officers elected at the conference each year, along with several at-large members of the Planning Team. We work toward exploring our theme each year in such a way that it is woven throughout the entire conference, and this year is no different. We spent the summer in a process of prayerful discernment and when we came together for our September planning meeting we were of one mind that there is a deep need, and even a hunger, for spiritual development to be intentionally addressed. With this in mind, the theme of the 2010 Adult Conference is "Deep and Wide: Living out the Spiritual Journey." We are honored that our daily Bible Lecturer will be Dr. Ronald J. Allen, Nettie Sweeney and Hugh Miller Professor of New Testament and Preaching at Christian Theological Seminary in Indianapolis, Indiana and our nightly Vesper Speaker is the Rev. Dr. William Edwards, Regional Pastor and President of the Christian Church in Ohio.

Adult Conference is full of endless possibilities where faith is deepened and broadened, ministry leaders are born and nurtured, and fellowship within the wider Church is strengthened. Adult Conference is an inclusive, welcoming place, where conferees are free to explore issues openly and honestly, without judgment. Through Adult Conference, conferees may find that God is calling them to explore horizons they had never considered or even dreamed of before. We hope that many will be able to experience the far-reaching impact that Adult Conference has in the lives of individuals. Scholarships are available for those who wish to attend but do not have the means to do so, and those details will be in the clergy camp mailing.

If you have any questions about Adult Conference, please do not hesitate to contact me. I am always happy to share my experiences of Adult Conference and what it has done in my life.
